GET ON BOARD

• Provide grants and dedicated support, focused on the translation of a selection of 27 challenges into 81 practical and marketable solutions for a total value of 2,430,000€

- Support European stakeholders from the public, private and third sector (challenge owners) in defining and prioritising social and societal challenges
- Encourage broad participation of social innovators, startups and SMEs (solution providers) in order to identify, co-develop and test concrete solutions to these needs

SocialChallenges.eu is more than a platform. Together with our 20 "nodes" located across Europe, we:

OUR OFFER

UNLOCK THE CHANGE

Social innovation is today recognised as a key resource in tackling societal challenges and turn them into systemic change. SocialChallenges.eu has been designed to exploit the untapped social innovation potential of startups and SMEs in addressing complex micro and macro social and environmental challenges affecting European citizens.

GOAL

ABOUT US

Powered by Meta Group, the European Business and Innovation Centre Network and Impact Hub, managed by the Executive Agency for SMEs (EASME) under the policy guidance of the European Commission, **SocialChallenges.eu is the European go-to-platform for social innovation.** An online ecosystem where **social innovators and SMEs** meet, co-develop and take up **sustainable and marketable solutions** with a clear **social impact**.

*SocialChallenges.eu
where challenges turn into positive change.*
